1. Please read the "Approvals Required" section below carefully. Submit the completed and approved form to your class dean, who will file it with the Registrar's office. Transfer credit must be pre-approved.
2. Provide a copy of the description from the host institution's course catalog and, if possible, a course syllabus when requesting approval.
3. **Mode of Inquiry Credit approval is a separate process. Pre-approval requests should be sent via email to curriculum@conncoll.edu so that they can assist in this process.**
4. **If the course is approved to satisfy the World Language requirement, the language department chair must send an email to degree@conncoll.edu upon completion of the course so that an exception can be applied.**
5. Courses taken elsewhere must be graded. No grade of "P", "S" or "CR" will be accepted. Grades and credits exactly as they appear and are included in the student's GPA.
6. Transfer credit will be awarded upon receipt of a SEALED OFFICIAL TRANSCRIPT sent directly from the institution to the Registrar's Office or to registrar@conncoll.edu. Transcripts from students cannot be accepted.
7. Students enrolled at Connecticut College for the fall/spring semester and taking courses here are not eligible to transfer credit back from another institution during that fall/spring semester. **Students may not be simultaneously enrolled at Connecticut College and taking classes elsewhere.**

APPROVALS REQUIRED:

The institution selected must be accredited to offer college level courses. The student must secure approval BEFORE enrolling in an outside course.

- The form must be signed by the student's adviser
- The class dean's signature is always required
- Department Approval
 - Some departments/programs require approval of all courses in their subject area that will be used for general credit. Review the list of departments/programs requiring this at: <https://www.conncoll.edu/academics/registrar/academic-policy/transfer-credit/transfer-credit-process-current-students/>
 - Students planning on transferring courses that are offered online*, or those that will count toward the major or minor must always seek the approval of the appropriate department or program. **Please note that approval of online courses is at the sole discretion of the department/program; not all departments/programs approve online courses.*

Courses may not be repeated for credit. Any student who has received a passing grade and earned credit for an individual course may not repeat the course; this includes Advanced Placement and all course work taken at other institutions.

TRANSFER OF CREDITS AND GRADES FOR THE PERMANENT RECORD:

All grades and credits earned at the host institution are posted to the Connecticut College transcript and included in the student's overall GPA.

To ensure transfer of credit, once the course has been completed the student should request that the host institution send an official transcript directly to the Office of the Registrar at Connecticut College or to registrar@conncoll.edu. **Courses will be evaluated and posted by the end of the drop/add period in the next fall or spring semester in which the student enrolls.** Course exceptions will be applied once the credit has been posted.

RESIDENCY REQUIREMENT FOR THE B.A. DEGREE:

Courses taken at any other institution will not count toward the 64-semester hour residency requirement. All students are required to complete a minimum of 64 semester hours at Connecticut College.
